

BETA RANGE

Beta Mini Quick Release

Beta Mini Quick Release

A high quality technologically advanced low cost manual press, ideal for most users. The swing head operation gives a perfect view of the transfer & garment allowing accurate & easy application, along with safety of operation. Fitted with our unique advanced computerised controller to accurately monitor both temperature & time. Pressure adjustment is by a fingertip control knob making this machine ideal for both light and heavy pressure requirements.

The Beta Mini has the option of four printbed areas, to give you the perfect transfer.

The Beta Mini is a manually operated heat presses for transfer printing and material fusing. They are ideal for medium volume production.

The work areas of the Beta Mini is: 15 x 15 ins (38 x 38 cm) but machines may have, to special order, optional smaller sized interchangeable worktables of any size and various shapes within these table sizes.

Sizes	Specifications	European Machine	Specifications	USA Machine
15.3cm x 15.3cm	Power Consumption	1800 Watts	Power Consumption	1500 Watts
20.5cm x 20.5cm	Power Supply	230-240 Volts AC	Power Supply	120 Volts AC
25.4cm x 25.4cm	Working temperature	70-230°C	Working temperature	160-455°F
30.5cm x 30.5cm	Display Timer Range	0 - 9.59 mins	Display Timer Range	0 - 9.59 mins
	Machine height open	65 cms	Machine height open	25.5 ins
	Machine height closed	35 cms	Machine height closed	14 ins
	Machine width	51 cms	Machine width	20 ins
	Machine width, loading	92 cms	Machine width, loading	37 ins
	Machine depth	89 cms	Machine depth	35 ins
	Machine depth, loading	108 cms	Machine depth, loading	42.5 ins
	Work area required	95 x 92 x 64 cms	Work area required	37.5 x 36 x 25 ins
	Weight export packed	52 kg	Weight export packed	114.5 lbs
	Size export packed	91(L) x 62(W) x 42 cms(H)	Size export packed	36(L) x 24.5(W) x 16.5 ins(H)
	Net weight	39.5 kg	Net weight	99 lbs
	Press pad dimensions	38 x 38 cms	Press pad dimensions	15 x 15 ins
	Fuses	10 A	Fuses	16 A
	A-weighted noise level	<70 dB(A)	A-weighted noise level	<70 dB(A)
